## IETE-CMAI

### Signing of Memorandum of Understanding at

**1:00 PM Saturday, 30 May 2009, Salora Library, HQ IETE,**

**Lodhi Road, New Delhi - 110 003**

**(LUNCH : 1.00 P.M to 2.00 P.M)**

1. Lt Gen Ashok Agarwal, PVSM (Retd) President IETE and Shri N K Goyal, President CMAI, on behalf of the Council of IETE and Members on Board CMAI are pleased to extend a personal invitation to you on the historic occasion of signing of MOU between IETE and CMAI on Saturday, 30 May, 2009 at Salora Library, HQ IETE, Lodhi Road, New Delhi preceded by interaction with Lt Gen Ashok Agarwal, PVSM (Retd) and Shri N K Goyal over Lunch.

2. The Synergy between IETE and CMAI will benefit professionals, students, industry and academia. The professionals will benefit from the industry/manufacturers on the technology being pursued and they shall be able to suggest latest techniques. Students will get hands on experience with their project work with industry. It would also help in economic development through announcement of various innovative and new programmes in the ICT sector with international exposure. This would including exchange of trade delegations, participation in National/International trade shows, Transfer of Technology, Joint Ventures, Venture Funding, Technology Upgradation, Research and Development, Cluster Development, Human Resource Development, Enhancing Management and Technical Skills, Skill Development at the Workshop level, exchange of managerial skills, exposure to new green technologies,

environment friendly process, increase in production through induction of international standards in ICT etc. It would help rejuvenate the Industry and prepare itself for the future thus enhancing the product quality, production cycle and efficient management skills in every possible manufacturing, process or research and development helping the nation prepare itself and progress competitively in the international arena.

3. IETE - The Institution of Electronics and Telecommunication Engineers is India's leading recognized professional society devoted to the advancement of Science and Technology of Electronics, Telecommunication & IT. Founded in 1953, serves more than 73,000 members through its 57 Centres, spread all over India and abroad. The Institution provides leadership in Scientific and Technical areas of direct importance to the national development and economy. Government of India has recognized IETE as a Scientific and Industrial Research Organization (SIRO) and also has notified it, as an educational Institution of national eminence. IETE conducts and sponsors technical meetings, conferences, symposia, and exhibitions all over India, publishes technical journals and provides continuing education as well as career advancement opportunities to its members.

4. CMAI-Communication Manufacturers Association of India, is an apex business and trade promotion body, based in India with MOU partners and representatives spread across over 22 countries and having branch offices in Japan, Taiwan, Singapore and Korea. CMAI keeps its members abreast with upcoming technologies and industry updates by information dissemination and by organizing regular seminars and info sharing sessions. CMAI is a major influencer of industry standards that support global trade and commerce in communications products and systems for specifications to be approved by the Telecom Engineering Center, India. CMAI represents the interest of its members before the Government, especially with the Ministry of Communications & IT, Ministry of Commerce & Industry, Ministry of Finance, Ministry of External Affairs, Ministry of Home Affairs, Ministry of Corporate Law, Ministry of Micro, Small and Medium Enterprises and several International agencies.
